

THE LAST WORD - KITARA

KLASERIE PRIVATE NATURE RESERVE

This is the Greater Kruger National Park. The largest and most diverse concentration of wild animals in the world - the ultimate safari. Within lies the Klaserie Private Nature Reserve. Home to the Big Five.

And this is Kitara seductively clinging to the banks of the Klaserie river - an intimate sanctuary.

Serene. Luxurious. Exciting. Exclusive. This is the real wild, in private.

Where lions, leopard, elephant, rhino, buffalo, wild dog and so much more leave you spellbound.
